

In-House Bank Training

About Us

MVL Consulting Private Limited (MVLCO) is a group of banking, finance and industry professionals having accumulated expertise of hundreds of man years. We bring to bear a wealth of practical experience of directly operating in and regulating financial markets, and of providing relevant training. We and our Associates have gained this experience in senior positions in central bank, large commercial banks, merchant banks, fund management companies, stock exchange and its leading member firms, other international consulting firms etc. MVLCO has a very experienced senior advisory board who have worked at national and international levels in banking industry

Indian Institute of Bankers Accreditation

MVLCO is accredited as a Training Centre for imparting classroom learning, by the Indian Institute of Bankers (IIB) for its Diploma in Banking and Finance.

Objective

With the advent of market-oriented approach, globalization, reforms and competition in the banking and finance sector, the Banking / Finance sector face the challenge to continuously innovate and improve and market their products and services. The need for continuous improvement in the service provided calls for excellence in the performance. With a view to equipping the banking professionals to face the challenges ahead, we have developed various training programmes exclusively for Banking professionals. We aim to fulfill the need of uninterrupted supply of qualified personnel to take up various positions in the Banking Industry.

Customised Training

Our customized in-house training programs are a convenient, cost-effective way to provide your staff with critical information that will immediately add value to your organization.

Faculty

Our training programs are conducted by senior bankers and finance professionals who teach from experience using state-of-the-art training methodologies. Programs are multi-dimensional and combine customized lectures, individual and group exercises, case studies and, in many cases, sophisticated computer simulations.

Benefits

We offer a variety of seminars which can be geared towards your employees' needs. We have quality programs and expert instructors to give your bank an edge in today's competitive market. Our in-house bank training provide following benefits:

- ✓ Allows all employees to be in one place at one time.
- ✓ Provides consistent training for all employees.
- ✓ You can incorporate internal policies and procedures.
- ✓ Unlimited number of employees can be trained for a set fee.
- ✓ It provides targeted training to the employees.
- ✓ Convenience - Schedule your seminar when it's most convenient for you and your staff - at your office or the location of your choice. Courses can be tailored to a 4, 8, 12, or 16-hour presentation.
